DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT
Maintenance Grant Report

City/County: City of Elgin

Report for Period: 10/2/82 to 6/30/83

Grant Amount: $ 1163 Grant No. CM82713

A. Expenditures

1. Total LCDC funds granted (for reporting period only) $ 1163

2. Expenditures by type:

a.	Personal Services	$ 940
b.	Supplies and Services	$ 223
c.	Contracts	$
d.	Other	$
	TOTAL EXPENDITURES	$ 1163

3. Remaining Balance of Grant, if any: $

B. Maintenance Activity

Briefly describe the comprehensive plan maintenance work undertaken during this period.

Final draft documents of the Land Use Plan were prepared and working draft zoning ordinance revisions were printed and work sessions held.

C. Planned Maintenance Activity

Briefly describe planned maintenance activity during the next 12 months. (Any ending balance shown in A(3) should be applied to the cost of this work.)

The City Council met on July 27, 1983 to develop final revisions to the zoning ordinance. A public hearing on the Plan and Ordinance revisions is scheduled for September 30. Final adoption is anticipated in late October, 1983.

D. Certification

I hereby certify, as a duly authorized official, that this is a complete and accurate statement of expenditures. I further certify that financial records are available to support this statement.
